

David Crowder Band, Be Lifted

How long till You hear us?
Till You come back, we ain't giving up
How long till You heal us?
Till you come back, we ain't giving up

Love rise up
Hope rise up

How long till You free us?
Till You come back, we ain't giving up
How long till You mend us?
Till You come back, we ain't giving up

Your strength will come like something lifted
Lift up your head (love is rising)
Lift up your head (hope is rising)
Lift up your head (be lifted)
Be lifted, be lifted
Lift up your head!
