

David Crowder Band, Can You Feel It?

Can you feel it?
Can you feel it?
The love in this place
Can you feel it?
Can you feel it?
Can you feel it?
The grace in this place
Can you feel it?
Yeah

Life makes it so hard sometimes
To know whats real
When I cant feel You there
When I cant see You there
When I cant comprehend that
You are there
You are there
Youre everywhere
You are everywhere

Can you feel it?
Can you feel it?
The hope in this place
Can you feel it?
Can you feel it?
Can you feel it?
The peace in this place
Can you feel it?
Yeah

When we cant feel You there
When we cant see You there
When we cant comprehend that You are there
You are there
Youre everywhere
You are everywhere

Our God is here

We believe Youre here
We can feel You here
We can see You here
We believe Youre here
You are here
You are here
