

# David Crowder Band, He Was There

I will sing to the Lord  
I will sing to the Lord  
He is high above and lifted up  
He is high above and lifted up

He was there for me in the desert  
He was there for me on the mountain top  
He was there for me when there was no water  
He was there for me and He gave me a drink

Chorus...

In the desert He was there  
On the mountain He was there  
In the valley deep He was there  
Everywhere I look my God is there
