

David Crowder Band, I Need Words/God Of Wrath

I need words
As wide as sky
I need a language large as
This longing inside
And I need a voice
Bigger than mine
And I need a song to sing you
That I've yet to find
I need you, oh
I need you
I need you, oh
I need you
To be here now
To be here now
To hear me now
To hear me now

God of wrath
God of love
God of Earth
And God above
God of hope
God of peace
God of you
And God of me

God of day
God of night
God the just
And God the light
God of the strong
God of the weak
God of you
And God of me

My love for You
My heart for You
My life for You
All I am for You

Bridge:
Blood through my veins for You
I give my world to You
All I am and all I have
I lay it down for You
Dancing 'round with You
Spinning 'round with You
Laughing loud with You
My love
