

# David Crowder Band, I Need Words/God Of Wrath

I need words  
As wide as sky  
I need a language large as  
This longing inside  
And I need a voice  
Bigger than mine  
And I need a song to sing you  
That I've yet to find  
I need you, oh  
I need you  
I need you, oh  
I need you  
To be here now  
To be here now  
To hear me now  
To hear me now

God of wrath  
God of love  
God of Earth  
And God above  
God of hope  
God of peace  
God of you  
And God of me

God of day  
God of night  
God the just  
And God the light  
God of the strong  
God of the weak  
God of you  
And God of me

My love for You  
My heart for You  
My life for You  
All I am for You

Bridge:  
Blood through my veins for You  
I give my world to You  
All I am and all I have  
I lay it down for You  
Dancing 'round with You  
Spinning 'round with You  
Laughing loud with You  
My love
