

# David Crowder Band, ...Neverending...

Never ending  
Always  
You will never end  
Because  
You're always  
Never ending

You were  
There before  
There was beginning  
Always  
You were  
You are never ending

Here you are now  
With us here  
We are found  
In You

And this makes all the difference  
This changes everything  
Making our whole existence  
Worth something so we sing

La, la, la ?

And You make all the difference  
Yeah, You change everything  
You make our whole existence  
Worth something so we sing

La, la, la ?
