

# David Crowder Band, The Color Song

Verse:

From golden fields  
To oceans blue  
From green mountain meadows  
I'll think of You

From rolling hills  
With misty moon  
From roaring rivers  
I'll think of You

Pre-chorus:

And everywhere you remind me

Chorus:

You are and  
You were and  
You will  
Always be

And You are and  
You were and  
You will  
Always be our God
