

David Duchovny, Hell or Highwater

I've done some good
I've done some bad
Like any man I bet
A man of words
is a man of lies
but words is all I get
I can't make you feel
safe and sound
they got guns and crosses for that
I can only
hang around
until you realize where it's at

cause I can't make it rain
and I can't make it shine
and i can't turn this
shitstorm red to some
rainbow sunshower of holy red wine
but in the test of our love
In the test of my love
in the test of our love Darlin' yeah
if it's multiple choice I gotta mark
none of the above

I said I'd love you forever
Come Hell or Highwater
Well Babe the flood's in
take my hand fire purges
let rivers wash us
clean of our sins
I'll see you all in white again
we'll beat the devil
all ill will be well
I will stand here forever
come on rushing waters
heartbreak and hell

I can't turn
Day into night
I can't turn lead into gold
I'm not even sure I can see the light
to get us off this goddamn dead end road

cause I can't make it rain
and I can't make it shine
I Could try to erase the past of pain
but honestly baby who has that kinda time?

So in the test of our love
when push comes to shove
in the test of our love Darlin
Yeah If it's multiple choice
I'm gonna mark All of the above

I said I'd love you forever
Come Hell or Highwater
Well Babe the flood's in
take my hand fire purges
let rivers wash us
clean of our sins
I'll see you all in white again
we'll beat the devil
all will be well
I will stand here forever

come on rushing waters
heartbreak and hell

I won't wipe away the
tears you cry with any
tissue of lies
you can build your life on empty promises
or with a man who promises to try
see cause I can stand out in the rain
and I can work under the sun
and I can out wait your disdain
til all this nonsense is done

I said I'd love you forever
Come Hell or Highwater
Well Babe the flood's in
take my hand fire purges
let rivers wash us
clean of our sins
I'll see you all in white again
we'll beat the devil
all ill will be well
I will stand here forever
come on rushing waters
heartbreak and hell
