

# David Fly, Lighthouse

1. Maybe you are alone or homeless  
Maybe you feel abounded by your friends  
Maybe you gave up hope, and now u cry  
Maybe you live your life without love

ref:

I'll be your torch in the darkness  
I'll be your lighthouse in the storm  
I'll be your signpost on your way back  
Just count on me and I'll bring u home

2. There is a light shinnin' on you, so be ready  
coz a change is gonna come, yes it will  
Now it's time to get up and move on  
for a new day has come, don't give up.
