

David Fly, Reason

1. I don't pray for better weather
I don't pray for bread
I don't pray for a wife and children
I don't pray for peace
I don't pray for grace and mercy
I don't pray for love
I don't pray to be in heaven
I don't pray for faith

bridge:

Cos u know I don't pray at all
Cos u know I don't speak to the walls

ref.:

What is now, is good, what is now, is perfect
I accept His will

2. I don't need to humbly kneel
begging for a sign
I don't need to ask for forgiveness
cos i feel just fine
I'm not gonna stand in water
Just to feel I'm saved
Don't need Virgin Mary's statue
Standing over (my) grave

bridge:

Cos u know I don't pray at all
Cos u know I don't speak to the walls

ref.:

What is now, is good, what is now, is perfect
I accept His will x7
