

# David Fonseca, Our Hearts Will Beat As One

When you walked in the room  
Moving on Vaseline  
Coated in petals and fuel  
A cover of a magazine  
Our bodies came to a halt  
Our bodies turned into light

Well, I don't know about you  
But I want it, I want it, I want it, I want it  
Tonight

I can picture you knocking on my door  
Getting naked in the hallway  
But hey, dressed would be as good  
We're like the fish in the sea  
We're like the birds and the trees

Don't want to lead  
Don't want to follow  
I want to love, love, love, love you tonight
