

David Foster, Walkaway

Wise man
Make love by numbers
Shaken not stirred
But I hang, I hang
On your every word

These days
I roll with the punches
Always your clown

Do you remember when
We used to paint the town
Red, gold, green and blue
If you still believe
That dreams come true

Don't walk away
I know we'll find an answer
If you will stay
Don't walk away
There's nothing in tomorrow
That wasn't there in yesterday

All the heartache
Too many nights
At the Heartbreak Motel
Don't you give up
Love is a carousel

Put on your dancing shoes
And we can paint this world
Red, gold, green and blue
If you still believe in me and you

Don't walk away
I know we'll find an answer
If you will stay
Don't walk away
There's nothing in tomorrow
That wasn't there in yesterday

I'm so sad, so sad
This can't be the end
It's not my fault
There's rain on the wind
Reach out and touch
Before it's too late
To save our love
Baby, don't you walk away
Don't turn your back on me

Don't walk away
I know we'll find an answer
If you will stay
Don't walk away
There's nothing in tomorrow
That wasn't there in yesterday

The storm is over and
The silver linings shine

The skies are clearing and I know
You'll still be mine
