

David Foster, You're The Voice

We have the chance
To turn the pages over
We can write what we wanna write
We gotta make ends meet
Before we get much older

We're all someone's daughter
we're all someone's son
How long did we look at each other
Down the barrel of a gun?

You're the voice
Try and understand it
Make a noise and make it clear
We're not gonna sit in silence
We're not gonna live in fear

This time you know
We all can stand together
Oh, would we be powerful
Believing that we can make it better

Oh, we're all someone's daughter
We're all someone's son
How long did we look at each other
Down the barrel of a gun?

You're the voice
Try and understand it
Make a noise and make it clear
We're not gonna sit in silence
We're not gonna live in fear

Oh, we're all someone's daughter
We're all someone's son
How long did we look at each other
(How long can we look)
Down the barrel of a gun?
Oh, you're the voice

You're the voice
Try and understand it
Make a noise and make it clear
We're not gonna sit in silence
We're not gonna live in fear
