

# David Frizzell, I'm Gonna Hire A Wino(To Decora

I came crawling home last night, like many nights before  
I finally made it to my feet as she opened up the door.  
And she said, &quot;You're not gonna do this anymore.&quot;;

She said: &quot;I'm gonna' hire a wino to decorate our home,  
&quot;So you'll feel more at ease here, and you won't have to roam.  
&quot;We'll take out the dining room table, and put a bar along that wall.  
&quot;And a neon sign, to point the way, to our bathroom down the hall.&quot;;

She said: &quot;Just bring your Friday paycheck, and I'll cash them all right here.  
&quot;And I'll keep on tap - for all your friends, their favorite kinds of beer.  
&quot;And for you, I'll always keep in stock, those soft aluminum cans.  
&quot;And when you're feeling macho, you can crush them like a man.&quot;;

She said: &quot;We'll rip out all the carpet, and put sawdust on the floor.  
&quot;Serve hard boiled eggs and pretzels, and I won't cook no more.  
&quot;There'll be Monday night football, on T.V. above the bar.  
&quot;And a pay phone in the hallway, when your friends can't find their car.&quot;;

She said: &quot;You'll get friendly service, and Friday atmosphere.  
&quot;I'll slip on something sexy, and I'll cut it clear to here.  
&quot;Then you can slap my bottom, every time you tell a joke.  
&quot;Just as long as you keep tipping, well, I'll laugh until you're broke.&quot;;

She said: &quot;Instead of family quarrels, we'll have a bar-room brawl,  
&quot;When the Ham's bear say's its closing time, you won't have far to crawl.  
&quot;And when you run out of money, you'll have me to thank.  
&quot;You can sleep it off next morning, when I'm putting it in the bank.&quot;;

&quot;So you can feel more at ease here, and you won't have to roam.  
&quot;When you and your friends get off from work, and have a powerful thirst.  
&quot;There won't be any reason, why you can't stop off here first.&quot;;
