

# David Gilmour, Don't

Don't, don't, that's what you say  
Each time that I hold you this way,  
When I feel like this and I want to kiss you,  
Baby, don't say don't.

Don't, don't, leave me this way,  
For here in my arms you must stay  
When the night grows cold and I want to hold you  
Baby, don't say don't.  
When the night grows cold and I want to hold you  
Baby, don't say don't.

If you think that this is just a game  
I'm playin'  
If you think that I don't mean  
Every word I'm saying

Don't, don't, don't feel that way  
I'm your love, and yours, I will stay  
When I feel like this and I want to kiss you,  
Baby, don't say don't,  
Baby, don't say don't.
