

# David Gray, Alibi

Stone blind alibi  
I will eat the lie  
Find the word  
Could break any spell that binds you  
Prayers like ammonites  
Curl beneath the lights  
How i long to  
Bite every hand that feeds you more  
Where d'it all go wrong  
My friday night enfant  
Where d'it all go wrong  
My friday night enfant

All night busz on a line  
It's only blood on the rime  
Wrecks my head every time  
It leads me on  
Where d'it all go wrong  
My friday night enfant  
Where d'it all go wrong  
My friday night enfant

Tonight tonight  
Tonight i'm running wild i'm running  
Tonight i'm running wild i'm running  
Tonight i'm running wild i'm running  
Tonight i'm running wild i'm running  
Tonight i'm running wild
