

David Gray, Babylon

Friday night Im going nowhere
All the lights are changing green to red
Turning over tv stations
Situations running through my head
Well looking back through time
You know its clear that Ive been blind
Ive been a fool
To ever open up my heart
To all that jealousy, that bitterness, that ridicule
Saturday Im running wild
And all the lights are changing red to green
Moving through the crowd Im pushing
Chemicals all rushing through my bloodstream
Only wish that you were here
You know Im seeing it so clear
Ive been afraid
To tell you how I really feel
Admit to some of those bad mistakes Ive made
If you want it
Come and get it
Crying out loud
The love that I was
Giving you was
Never in doubt
Let go your heart
Let go your head
And feel it now
Babylon, babylon
Sunday all the lights of london
Shining , sky is fading red to blue
Im kicking through the autumn leaves
And wondering where it is you might be going to
Turning back for home
You know Im feeling so alone
I cant believe
Climbing on the stair
I turn around to see you smiling there
In front of me
If you want it
Come and get it
Crying out loud
The love that I was
Giving you was
Never in doubt
And feel it now
Let go your heart
Let go your head
And feel it now
Let go your heart
Let go your head
And feel it now
Let go your heart
Let go your head
And feel it now
Let go your heart
Let go your head
And feel it now
Babylon, babylon, babylon
