

# David Gray, Babylon

Friday night Im going nowhere  
All the lights are changing green to red  
Turning over tv stations  
Situations running through my head  
Well looking back through time  
You know its clear that Ive been blind  
Ive been a fool  
To ever open up my heart  
To all that jealousy, that bitterness, that ridicule  
Saturday Im running wild  
And all the lights are changing red to green  
Moving through the crowd Im pushing  
Chemicals all rushing through my bloodstream  
Only wish that you were here  
You know Im seeing it so clear  
Ive been afraid  
To tell you how I really feel  
Admit to some of those bad mistakes Ive made  
If you want it  
Come and get it  
Crying out loud  
The love that I was  
Giving you was  
Never in doubt  
Let go your heart  
Let go your head  
And feel it now  
Babylon, babylon  
Sunday all the lights of london  
Shining , sky is fading red to blue  
Im kicking through the autumn leaves  
And wondering where it is you might be going to  
Turning back for home  
You know Im feeling so alone  
I cant believe  
Climbing on the stair  
I turn around to see you smiling there  
In front of me  
If you want it  
Come and get it  
Crying out loud  
The love that I was  
Giving you was  
Never in doubt  
And feel it now  
Let go your heart  
Let go your head  
And feel it now  
Let go your heart  
Let go your head  
And feel it now  
Let go your heart  
Let go your head  
And feel it now  
Let go your heart  
Let go your head  
And feel it now  
Let go your heart  
Let go your head  
And feel it now  
Babylon, babylon, babylon
