

# David Gray, Be Mine

From the very first moment I saw you  
That's when I knew  
All the dreams I held in my heart  
Had suddenly come true  
Knock me over stone cold sober  
Not a thing I could say or do  
'Cos baby when I'm walking with you now  
My eyes are so wide  
Like you reached right into my head  
And turned on the light inside  
Turning on the light  
Inside my mind hey

Come on baby it's all right  
Sunday Monday day or night  
Written blue on white it's plain to see  
That rainy shiny night or day  
What's the difference anyway  
Baby till your heart belongs to me

If I had some influence girl  
With the powers that be  
I'd have them fire that arrow at you  
Like they fired it right at me  
And maybe when your heart and soul are burning  
You might see  
That everytime I'm talking with you  
It's always over too soon  
That everyday feels so incomplete  
Till you walk into the room  
Say the word now girl I'll jump that moon hey

Come on baby it's ok  
Rainy shiny night or day  
There's nothing in the way now  
Don't you see  
Winter summer day or night  
Centigrade or fahrenheit  
Baby till your heart belongs to me  
Thursday Friday short or long  
When you got a love so strong  
How can it be wrong now mercy me  
Jumpin' Jesus holy cow !  
What's the difference anyhow  
Baby till your heart belongs to me
