

# David Gray, If Your Love Is Real

These days spent staring at your photograph  
Read your letter, made me laugh  
But there's a shadow on the path  
Till I know if your love is real

Cause its not as if a lot was said  
Falling in and falling out of bed  
But now the world's turned on its head  
Till I know if your love is real

Spend a long time now, persuading myself  
That I don't need no-one, nobody else  
That I'd felt all there was to feel  
I'm in a daydream now, I'm out to lunch  
Should it come down to the crunch I'm wide open for that sucker punch  
Till I know if your love is real  
Till I know if your love is real

Spend a long time now, persuading myself  
That I don't need no-one, nobody else that  
I felt all there was to feel  
Know if I should live one hundred years  
I'll never see another face like yours  
Or stranger seas, or brighter shores  
Cause I know that my love is real oh my heart
