

# David Gray, Knowhere

Slow voices speaking through a hurricane  
Said that I wanted but I lied  
Your looking good  
Hey man I can't complain  
Ghost on the road at night

Seen him out walking he's just skin and bone  
I don't see nothing in her eyes  
Some call it hell felt like a home from home  
I'm dreaming different skies

I don't know where I  
I don't know what I'm supposed to do now  
Get it on all night  
I don't know where I  
I don't know what I

It seems to me boy  
That you're doing all right  
I don't know what I  
I don't know where I  
Long way to go now  
Keep it all inside

36 hours but my mind is fresh  
Live for the moment then I'm gone  
Suck on that sympathy and feel the rush  
Go on my blue eyed son

I don't know where I  
I don't know what I'm supposed to do now  
Get it on all night  
I don't know where I  
I don't know what I

It seems to me boy  
That you're doing all right  
I don't know what I  
I don't know where I  
Long way to go now  
Keep it all inside

[Repeat chorus]
