

# David Gray, My Oh My

What on earth is going on in my heart  
Has it turned as cold as stone  
Seems these days I don't feel anything  
Less it cuts me right down to the bone  
What on earth is going on in my heart

My oh my you know it just don't stop  
It's in my mind I wanna tear it up  
I've tried to fight it tried to turn it off  
But it's not enough  
It takes a lotta love  
It takes a lotta love my friend  
To keep your heart from freezing  
To push on till the end  
My oh my

What on earth is going on in my head  
You know I used to be so sure  
You know I used to be so definite  
Thought I knew what love was for  
I look around these days and I'm not so sure

My oh my you know it just don't stop  
It's in my mind I wanna tear it up  
I've tried to fight it tried to turn it off  
But it's not enough  
It takes a lotta love  
It takes a lotta love my friend  
To keep your heart from freezing  
To push on till the end  
My oh my you know I just can't win  
I burn it down it comes right back again  
What kinda world is this we're living in  
where you never win  
It takes a lotta love  
It takes a lotta love these days  
To keep your heart from freezing  
To keep your spirit free

My oh my you know it just don't stop  
It's in my mind I wanna tear it up  
I've tried to fight it tried to turn it off  
But it's not enough  
It takes a lotta love  
It takes a lotta love my friend  
To keep your heart from freezing  
To push on till the end  
My oh my it just don't stop  
My oh my it just don't stop  
My oh my it just don't stop
