## David Gray, Sail Away

Sail away with me honey
I put my heart in your hands
Sail away with me honey now, now, now
Sail away with me
What will be will be
I wanna hold you now

Crazy skies all wild above me now Winter howling at my face And everything I held so dear Disappeared without a trace Oh all the times I've tasted love Never knew quite what I had Little Darling if you hear me now Never needed you so bad Spinning round inside my head

Sail away with me honey
I put my heart in your hands
Sail away with me honey now, now, now
Sail away with me
What will be will be
I wanna hold you now

I've been talking drunken gibberish Falling in and out of bars Trying to get some explanation here For the way some people are How did it ever come so far

Sail away with me honey
I put my heart in your hands
Sail away with me honey now, now, now
Sail away with me
What will be will be
I wanna hold you now
Sail away with me honey
I put my heart in your hands
Sail away with me honey now, now, now
Sail away with me
What will be will be
I wanna hold you now

[Repeat chorus]
