

David Guetta, Big FU (feat. Ayra Starr & Lil Durk)

Oh-oh
Yeah, yeah
Two more times, can I come see you?
Yeah

Tonight
I hit up your line a couple times
And I see you never reply
And I
Seen all the pictures that you post
Oh no
I notice my key doesn't fit in your lock
And you're blockin' my calls (My calls)
I'm happy to see that you finally got
Everything that you want

Send a big "Fuck you" to my replacement
I see you're someone else's favorite now
And my oh my, I might be crazy
I swear to God that I'm not hating, no
Send a big "Fuck you" to my rep
Send a big "Fuck you"

(Oh-oh)
I love to party, can you come and party with me?
Let's go to Fiji 'cause I know you need it
Let's take a vacation from party seekers
All these bitches, they so artificial
They be laughin' at me when I argue with you
And my mama love you like my mama had you
But I love your mama for havin' you (Yeah-yeah)
Pass me a cup, won't even drink, but I'm gettin' drunk (Yeah-yeah)
I don't even smoke, pass me a blunt, I wanna puff (Yeah-yeah)
You can't stop me, you gotta block me 'cause U'm turnt up (Yeah-yeah)
But

Send a big "Fuck you" to my replacement
I see you're someone else's favorite now (Yeah)
And my oh my, I might be crazy
I swear to God that I'm not hating, no
Send a big "Fuck you" to my rep
Yeah, yeah

Send a big "Fuck you" to my replacement

I love to party, can you come and party with me?
And my oh my, I might be crazy
I love to party, can you come and party with me?
Send a big "Fuck you" to my rep
