

# David Guetta, I Can Only Imagine (Ft. Lil Wayne)

[Chris Brown]

Where you been?  
Where you been all my life?  
Girl it's a sin  
The way you look in that light  
It's obvious  
That I want something from you  
You know what,  
What I want do, do, do

If we touched  
it would bring me to life  
I can only imagine, only imagine  
What it'd be like  
Oh, everytime, it would bring me to life  
I can only imagine, only imagine  
What it'd be like  
What it'd be like  
What it'd be like, like, like  
What it'd be like, like, like....

[Lil Wayne]

Saw you from a far  
Thought I'd say "what's up?"  
You can tell me your name,  
When we waking up  
They call me Tunechi, I'm good, I'm Gucci  
Now you can kiss your old dude goodbye: smooches  
You're a piece  
You're a beauty  
Man I think somebody done gave Cupid the uzi- shoot me  
You're a firework, brighter in the dark  
So lets turn off the lights and give me that spark

[Chris Brown]

If we touched

Oh everytime it would bring me to life  
I can only imagine, only imagine  
what it'd be like  
what it'd be like  
what it'd be like, like, like  
what it'd be like, like, like

I want to let her touch me  
Want her to feel free  
I want to feel free  
If you kiss me  
So I can finally be (now)  
So I can finally see (kiss me now)  
So I can finally see (kiss me now)  
What, what, what
