

# David Houston, Heavenly Sunshine

I've searched for words of sweet description too best described  
The thrill it gives me just to have you by my side  
But I can't find one single word that properly defines  
How sweet it is just knowing that all your love is mine  
Your love is heavenly sunshine heavenly sunshine  
You fill my heart with your love so divine  
Heavenly sunshine heavenly sunshine you make me happy cause your love is mine

The colors in the rainbow are a lovely sight to see  
But even rainbows lose their glow when you smile at me  
And when you kiss me I can hear a thousand bluebirds sing  
No matter how that sounds the words could only mean one thing  
Your love is heavenly sunshine...
