

# David Houston, I'm Down To My Last I Love You

Tonight I'll go and find her one more time and I'll try my best to change her mind  
I'll tell her that I love her like I've done so much before  
And she'd better listen well cause I won't say it anymore  
Cause I'm down to my last I love you she'll have one more chance to make me blue  
I'd give the world to keep her I've done all a man can do  
But I'm down to my last I love you

Tonight I know I'll find her way downtown with those same old party friends around  
One last time I'll tell her she means the world to me  
She'll have one last chance to hurt me and then I'll set her free  
Cause I'm down to my last I love you...  
Yes I'm down to my last I love you
