

# David Houston, Mountain Of Love

Got a Mountain of love for the girl in the valley  
Got an ocean of DREAMS for the girl in the valley  
Someday I will marry the girl in the valley  
Cause this mountain boy holds a world full of joy  
for the girl in the valley

She's a sweet little thing that lives by the spring in the valley  
Every day she goes by with her head held up high like a high steppin' PHILLY  
I tried every thing even bought her a ring she won't WEAR IT  
She said she loves me but she's not yet quite ready to marry.

Got a mountain.....
