

David Houston, My Love

My love is warmer than the warmest sunshine softer than a sigh
My love is deeper than the deepest ocean wider than the sky
My love is brighter than the brightest star that shines every night above
And there is nothing in this world that can ever change my love

[guitar]

Something happened to my heart the day that I met you

Something that I never felt before

You are always on my mind no matter what I do

And every day it seems I want you more

My love is warmer...

[guitar]

Once I thought that love was meant for anyone but me

Once I thought you'd never come my way

Now it only goes to show how wrong we all can be

For now I have to tell you every day

My love is warmer...
