

David Houston, Rest Of My Life

The passion of lust burns fast and it burns high
But when it was over I wanted to cry
Now I know what I want out of life and that's for you to love me the rest of my life
For holding another woman I know I'll pay
But I wonder can you still love me after yesterday
I've told you all about and I know that I was wrong
I can't explain it just happened I was weak and I was wrong
Now I know what I want out of life and that's for you to love me the rest of my life
