

# David Houston, Something Stupid

I know I'd stand in line until you think you have the time to spend an evening with me  
And if we go someplace to dance I know  
That there's a chance you won't be leaving with me  
And afterwards we'd drop into a quiet little place to have a drink or two  
And then I'd go and spoil it all by saying something stupid like I love you  
I can see it in your eyes that you despise the same old lies you heard the night before  
And though it's just a line to you for me it's true and never seemed so right before  
I practice everyday to find some clever lines to say to make the meaning come true  
But then I think I'll wait until the evening's gettin' late and I'm alone with you  
The time is right your perfume fills my head  
The stars get red and all the night's so blue  
And then I'd go and spoil it all by saying something stupid like I love you  
[ guitar ]  
The time is right...  
And when I'd go and spoil it all by saying something stupid like I love you
