

# David Houston, Watching My World Walk Away

I never dreamed her footsteps could ever sound so lonely  
As they did as she left today  
I raised my hand and brushed your tear as I helplessly stood there  
Watching my world walk away  
I'm leaving forever she said with her eyes but her soft lips had nothing to say  
I never thought I'd live to see the day I'd be standin' in this doorway  
Watching my world walk away  
[ guitar - steel ]  
I'm leaving forever...  
I never thought I'd live to see...  
Watching my world walk away
