

# David Houston, You Mean The World To Me

Daylight comes and bluebirds sing and outside the grass is green  
But I don't care if sun shines or it rains  
Cause I'm happy as I can be as long as you will stand by me  
And nothing beside of heaven can make me change  
Cause you you mean all the world to me  
[ steel ]

You start my day with one sweet kiss  
You keep my world turnin' with tenderness  
And you always say the right things when I'm blue  
When dark clouds gettin' to cover my sky  
And temptation looks me straight in the eye  
It all disappears when you say I love you  
Cause you you mean all the world to me  
You you mean all the world to me you you
