I know that you're waiting for me like a dog but have some patience 4 the part of me that's lost there's been a 100 times when i don't recognize any of you that love me i try to memorize and identify but it's all getting foggy

my head is in the clouds right now just pray i come around

hello hello are you lonely? i'm sorry it's just the chemicals hello hello do you know me? i'm called mr. forgettable

mr. forgettable mr. forgettable

the old me hides while the new me fights look in my eyes he's still in there right? did the kitchen change? what about your name? you used to be my heart now you're just a face/phase

my head is in the clouds just pray i come around

hello hello are you lonely? i'm sorry it's just the chemicals hello hello do you know me? i'm called mr. forgettable

mr. forgettable mr. forgettable mr. forgettable mr. forgettable

hello hello are you lonely? i'm sorry it's just the chemicals hello hello do you know me? they call me mr. forgettable
