

David Lee Roth, She's Looking Good

[Verse1]

It's gettin' late I don't know 'Bout 3 a.m.
And I'm drivin' in my '57 dream
It's gettin' late Don't know just where I've been
And I'm comin' to you from All points in between

[Bridge]

A little lovin' On my mind
A little lovin'

[Chorus]

She's my machine

[Verse2]

She gets along Let alone She's premium
And I love to feel her Each and every night
Damn straight She's wild In overdrive
Feels like something's getting right

[Bridge]

[Chorus]

[Verse3]

It's gettin' late I don't know
'Bout 3 a.m.
And I'm drivin' in my '57 dream
She's red She's wild In overdrive
And I'm coming to from all points in between

[Bridge]

[Chorus]

Look out Kick it

[Outro]

Machine Machine
She's my machine
Machine...
