

David Lindley, Talk To The Lawyer

And so they sent you to Afghanistan
To have you workin' for their master plan
I think that maybe for the CIA
And when you're through they're gonna put you away

They're put you in an institution
And put a wire up into your brain
Because you know more bout the revolution
That kind of thing'll drive a boy insane

Better talk to the Lawyer
Professional liar
Gotta talking to the lawyer
Professional liar

They do maneuvers at the border line
Somebody's eatin' up some kind of thang
And when you want to know the reason why
I'm sorry sir.. there's no reply

You're on a mission for the President
You got to bury all the evidence
You say you like it but you really don't
He said he'll cover but you know he won't

You're talking to the lawyer
Professional liar
Your better talk to the lawyer
Professional liar

Somebody called me just the other day
I said who is it but he wouldn't say
I think he's working' for the secret service
Maybe working for the FBI
I don't like it when they do me like that
I don't like it when they do me that way

Talk to the lawyer
Professional Lawyer man
I better talk to the lawyer
Professional lawyer man
Better talk to the lawyer
Professional lawyer man
I better talk to the lawyer
Professional lawyer man
