

David Phelps, That's What Love Is

Its the only thing worth life and death.
Its the first moment and the final breath.
Its a broken heart keeping a solemn vow
And a lost soul being found.
You pray for faith when its hard to believe.
You choose to stay when its easy to leave
And when hope is gone youre the one who keeps holding on.

Chorus

Thats what love is
When you give until theres nothing left
And it makes you give the very best.
Thats what love is.
It can make you laugh and make you cry.
It can let you down and lift you up so high
When you find the only reason left to live.
Thats what love is.

Its the dream you give up for someone else.
Its being strong when youre weak yourself.
Though it tears you up you trust again.
Hatred loses and forgiveness wins.
You turn your cheek when you want to fight.
Sell all you have and lay down your life
And when hope is gone youre the one who keeps holding on.

Chorus

Its reaching out and holding on so someone else will know.
Love is in the not letting go.
