

# David Sylvian, God's Monkey

One push  
You fall in  
Born in darkness  
Built on shame  
And hurting  
Filled with silence  
Filled with silence  
And stars  
Stars  
Stars  
Find the ladder  
Climb the ladder  
To God's monkey  
No songs  
To sing  
That I believe in  
That I believe in  
Can't breathe the air  
It's too thin  
This far from heaven  
This far from heaven  
And stars  
Stars  
Find the ladder  
Climb the ladder  
To God's monkey.
