

Dawid Podsiadło vs Flirtini, DIAGRAM

I'm making a bed for you
I'm making a bed for me
It's going ...
But I'm not feel angry

And I know
My heart is not golden
Different time
And different poem
Won't you try
This is for another ...

Where did you go all night
I would cry you, son
Where did you go all night
I wouldn't try to...

I'm making a bed for you
I'm making a bed for me
I'm just a fuc* ...
I never feel empty

And I know
My heart is not golden
Different time
And different poem
Won't you try
This is for another ...

Where did you go all night
I would cry you, son
Where did you go all night
I wouldn't try to...

Coz everybody's doing just what they can
Coz everybody's doing just what they can
Coz everybody's doing just what they can
