## Dawson's Creek, Tubthumping

| We'll be singing When | we're winning We'll | be singing I get | knocked down But | I get up again You're |
|-----------------------|---------------------|------------------|------------------|-----------------------|
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
|                       |                     |                  |                  |                       |
