

Day Of Fire, Run

The race is running a pace that's quicker
The clock tick ticking against
The world keeps turning this house is on fire
Won't catch me sleepwalking again

Runningsaid I'm running I'm running
I'm coming at you gunning runningsaid I'm running against
Runningsaid I'm running I'm running
I'm coming at you gunning runningsaid I'm running against

Awake and running the distance quicker
This road is nearing the end
The wheel keeps turning this heart is on fire
I'm burning up high speed when I win

(Repeat 4x's)

Runningsaid I'm running I'm running
I'm coming at you gunning runningsaid I'm running against
Runningsaid I'm running I'm running
I'm coming at you gunning runningsaid I'm running against
