

Day26, Come With Me

Ugh.
I gotta get outta here.
Damn I'm feining.
I need it.
I want it.
I just can't sit here.

[Verse 1]
Lonely at the crib
Had to get out, search for me a honey dip
Listening to sexual healing
A girl who could give me that feeling
A girl that's about it 'cause she gotta be about it
Wait, she's so serious, wanna get her to my crib

[Hook:]
We got a lot in common
If you take that time to find out
We could chop it up if you
Want but it will slow us down
Just go and hop in the whip I ain't tryna cover it up
What I really want is...

[Chorus:]
Come with me
I'll put you fast asleep
You'll be waking up with me
3 in the morning, feindin asking for more [2x]

[Verse 2]
Pull up to the club
Said don't go in 'cause I had to talk to her,
Don't worry about your friends, I get you home
To tell the truth I was gaming her 'cause...
She was looking ready
I told her to come with me
Girl, anything you find in here so let's get busy

[Hook]

[Chorus]

[Verse 3]
We at the crib now so I gotta get it get it
Yes I know your down for it
Tell me where you want me
To touch it I'll kiss it, kiss it
I'm going all the way
'cause this is an attraction
We gotta go have it
So once I lay you down
You make those sexy sounds
Fall asleep and wake up for me

[Chorus]

Come with me.
I'll put you fast to sleep.
I'll have you out at 3, oh, oh [2x]
Damn I'm feining.
I need it.
I want it.
