

# Day26, If It Wasn't For You

[Verse 1]

I could be homeless on the street, on the concrete  
Panhandling, tryna get change for what I need  
Or looking for a bridge when my cover gets soggy  
So I could stay dry  
I could be losing my mind with nobody to talk to  
Looking in the mirror tryna figure out what's true  
When I had no direction  
You showed me more than my reflection  
When it rains, it pours, but life's a choice  
And I just can't take no more  
When everywhere's a closing door  
You're the one I'm looking for

[Chorus:]

If it wasn't for you  
I'd be living a lie thinking what's wrong was right  
If it wasn't for you  
I'd be serving time in prison in my own mind  
If it wasn't for you  
I'd be out in these street tryna find a way to make ends meet  
If it wasn't for you  
I gotta thank you  
If it wasn't for you

[Verse 2]

Every day is a struggle to wake up  
Living with the stress in my life that builds up  
It's like a mountain too high to climb up  
If something's at the top, does anybody know what  
Cause I don't know, it's such a long road  
For every step I've taken I wanna thank you  
For never leading me wrong  
When it rains, it pours, but life's a choice  
And I just can't take no more  
When everywhere's a closing door  
You're the one I'm looking for

[Chorus]

[Verse 3]

I probably wouldn't know what I know now  
Probably wouldn't be where I am now  
You found a part of me that I never knew about  
You gave me hope in doubt, yeah  
And I thank you for everything you've done for me, hey  
And now I see it's because of you

If it wasn't for you 9x

Where would I go without you?
