

Dayna Manning, I Want

I want a big red car
I want fancy new guitar
I want a house with a big back deck
And I want to come home with a big paycheck

But I can't have everything I want
Cause I can't have you
And I can't have everything I want
Cause I can't have you

I want be a star
I want to be of age to get into bars
I want to ride a Harley Davidson
And I want to live in a great big mansion

But I can't have everything I want
Cause I can't have you
And I can't have everything I want
Cause I can't have you

I want to sleep for hours and hours
I want a garden full of beautiful sunflowers
I want to grow to be seen
And I want to be friends with Tom Petty

But I can't have everything I want
Cause I can't have you
And I can't have everything I want
Cause I can't have you

I want someone to grant my wishes
I want a boy who only kisses
I want a friend that I can care for
And I want to find a love that's not so painful

But I can't have everything I want
Cause I can't have you
And I can't have anything I want
Cause I only want you
