

# Days Away, God And Mars

I can't get my mind to stop running  
i can't say im able  
i can't get my mind to stop running around  
so take me when im able  
but it's alright to find this out

i'm in a better place  
when u take this and turn it around  
i'm in a better place when u take this take this

i can't get my mind to stop trading spaces  
and faces slowly happy me  
i take my time i take my time  
and i close my eyes  
it's alright to find this out

i'm in a better place  
when you take this and turn it around  
im in a better place when you take this take this

i can't get my mind to stop running  
i can't say im able  
i can't get my mind to stop running around  
(NO) so take me when im able  
but it's alright to find this out

i'm in a better place  
when you take this and turn it around  
im in a better place when you take this take this now
