

# Days Away, Stay The Same

I'm looking to see if I can  
And you're looking for me to begin this  
Just try to pretend if you can  
While they're waiting for me to unwind... Again...

But I can't find a way  
No, I can't find a way  
To just try and  
Just try and explain myself

[Chorus]  
(Cause we stay the same,  
We stay the same)  
Now I'm looking to see  
(We stay the same)  
If you're sad or just lonely  
So next time I can be ready for...

I'm waiting to find out when  
And I'll be trying to see my way in to this  
Just try to pretend if you can  
While they're waiting for me to unwind... Again...

But I can't find a way  
No, I can't find a way  
To just try and  
Just try and erase this love

[Chorus]  
Just call I know you're always around  
(We stay the same)  
And I can't seem to escape this feeling  
(We stay the same)  
Now I'm looking to see  
(We stay the same)  
If you're just sad or lonely  
So next time I can be ready for...
