

# Days Of The New, Die Born

I am cold and I don't know why  
Said you got to keep me warm  
You will run from my eyes  
They stare you down and make you burn  
I am the king, the king of the jungle  
I'm the little dog  
The king of the jungle makes me humble  
I will not die born

I will not go down, this is not my home  
For any fears at all, fears at all  
Keep me running, keep me running wild  
Keep me innocent

The beach is hot, it burns my feet  
I'm a little tired, don't know what I'm gonna do with this  
I am gonna run  
Gonna make it worth my while  
Keep me running, keep me running wild  
I am wild dog

It gets me high it gets me around  
Everybody's walls, I don't feel no pain  
Cause I am numb from the fall

Yeah it's hard for me to make one little change  
I don't have to change at all
