

Days Of The New, Giving In

We want you to make it
You're given the life
And you choose to take it

Open the door, the snakes made it in
Make love to the snake, the skin keeps you warm

I don't know
It's the things you don't know
The power to grow...I give in

Use your senses the best way you can
Believe in yourself--don't give in

The truth is your friend--don't give in

If you're staying alive, it's hard to survive
When you're feeling dead, there's nothing to be said
But I know the long road
And you're gonna take it.
