

Days Of The New, Shelf In The Room

The key is so distant..ive open doors
Now when to listen
No what to listen for ,ya
The shelf in the room
Has been the way
Of holdin me,
And letting me stay
Kick me out,
Let me go (go)
I dont belong here no more-ore ore ore...
The releasing steps
Of gettin tired
Hold myself
I cant hold myself
The shelf in the room..
Has been the way
Of holding me
And I etting me stay
The shelf in the room
Has been told the truth
I cant hide from the shelf in the room
Holdin out never hold in holdin out (holding out never hold)
Holdin out never hold in holdin out (holding out never hold)
Now when to listen
Know what to listen for
Levein resistance
Dont let them tell ya nemore
Is there any way..
To get away....
Ask my self
While i stay inside..yeaaaaa
The shelf in the room
Has been the way of holding meh
And lettin meh stay
The shelf in the room has been told the truth
I cant hide from the shelf in the room.....
Yea.....
Holdin out holdin in holdin out (holdin out never hold)
Holdin out holdin in holdin out (holdin out never hold)
Holdin out holdin in holdin out (holdin out never hold)
Holdin out holdin in holdin out (holdin out never hold)
Holdin out holdin in holdin out (holdin out never hold)....
Holdin out holdin in never holdin out (holdin out never hold)....
The key is so distant ive closed my doors the shelf in the room
