

# Daz Dillinger, U Make Me Wanna (Remix)

(feat. Usher)

[Daz] [screamin in the background]  
And the party don't stop

[Usher x5]  
Tell me what you gone do  
What you gone do what you gone do

[Daz Dillinger]  
I met her back in high school, used to dig out her homies  
She never snitched on me cuz baby was in love  
I was all she would dream of all she would think of  
She worked nine to five, I rolled up smokin bud  
Independent baby loved to live life exqist  
From Atlanta G.A. and plus she new how to kick it  
She wan't an erotic stripper  
Dancin that's where I first met  
Sayin' to myself "I gots to go get her"  
Waved a hundred doller bill in the air  
Said come here baby pulled up a chair  
Got you shakin my very dear  
That's when I said baby you the one work it the best  
I say you the bomb and stuck a five down her chest  
Buzzin lovin the scean was all what it seem  
For me to get inside her world was all aplayers dream  
She picked me up in a six hundreed  
Music bangin and thumpin and the only thing she had to say ha ha

[Chorus x5: Usher]  
How you make me wanna leave the one I'm with  
Start a new relationship with you  
This is what you do  
Thinkin bout her and the thangs that come long ways  
You make me you make me

[Daz: talking over the chorus]  
Yea, that's how we be doing it baby  
Ain't no fakin over here  
Know what I'm sayin  
Yea,  
You make me wanna leave the one I'm with  
Come chill with you know what I'm sayin  
Girl, cheack it out

[Usher]  
At this point a situation I controled  
I never ment to hurt her  
but I, gotta let her go (gotta let her go)  
and she may not understand  
While all of this is going on  
I try I try to fight but the feelings just to strong

[Daz Dillinger]  
She said you Daz what's your fantsay  
but you ain't ever had a pieace of pieace of ass like me  
and when you get it once baby you can laugh at me  
and then she worked it on a player so drastically  
Baby got nasty when we least expected  
The one who get so drunk and get butt naked  
We don't be trippin when we walk inside the club  
Chillin like a villain sayin what you thinkin of  
Houl, houl tell me what you gone do  
What you gone do, what you gone do
